Docket No. 59124-010201

Reply to Office action dated October 20, 2004

AMENDMENTS TO THE CLAIMS

The listing of claims will replace without prejudice, all prior versions, and listings, of claims in the application.

Claim 1 (currently amended): A method of facilitating childhood learning comprising : ~~using a select group of articles~~ providing fastening devices for use on apparel articles; modifying the shape of the fastening devices to give the fastening devices an appearance of characters to be portrayed in a story; and teaching a child how to manipulate the fastening devices by relating the story in a selected media , ~~in order to facilitate childhood learning on how to manipulate the fastening devices.~~

Claim 2: (cancelled)

Claim 3 (cancelled):

Claim 4 (previously amended): A method as claimed in claim 1, wherein the fastening devices include at least one of a zipper, a snap, a button, a buckle, a string and a lace.

Claim 5 (previously amended): A method as claimed in claim 4, wherein the characters include multiple characters developed using multiple zippers, multiple snaps, multiple buttons and multiple buckles and multiple strings or laces.

Claim 6 (currently amended): A method as claimed in claim 1 wherein the media for relating the story is at least one of a book, television or radio rendition, movie, video, cards ~~or other tools and devices used to facilitate learning.~~

Claim 7 (previously amended): A method as claimed in claim 1, wherein the shape of each fastening device is modified to give the fastening device a personalized appearance by adding features of a human being, the features comprising at least one of eyes, ears, a nose, a mouth, arms or legs.

Claim 8 (previously amended): A method as claimed in claim 1 wherein each of the characters are named with a selected name to facilitate character identification and thereby promote learning.
